

Healed to Change the World

Brand: Heartbeat Academy
Product Code: 140

Price: \$14.95

Short Description

This 45 minute recorded training discusses the benefits of having a post-abortive staff member share their story.

Description

Discover the impact of post-abortive healing within the pro-life movement! In this session we'll learn how to identify barriers of shame, guilt, and regret and discuss key practices for finding freedom and healing.

Putting these principles into action will transform men and women from silent shame to voices of life through healing. Subscribe to learn more!
