

Your Center's Tithe: Expanding Pro-Life Missions

Brand: Heartbeat Academy
Product Code: 162

Price: \$14.95

Short Description

Check out this one hour recorded webinar from Heartbeat Academy!

Description

Participants in this training will recognize the biblical context for tithing and consider the addition of "Pro-Life Expansion" as part of their center's annual budget. We will explore the nonprofit's ability to give donations from a tax and legal perspective, and also explore the possible area for giving that would be appropriate for their center, including the possibility of initiating a partnership with a center internationally.
