

Fetal Doppler Safety

Brand: Heartbeat Academy
Product Code: 96

Price: \$19.95

Short Description

Provider approved by the California Board of Registered Nursing, Provider Number CEP 16061 for 1.25 contact hours.

Description

Learn how to operate sonographic and Doppler instruments in an industry accepted safe manner while using b-mode, m-mode, and pulsed wave Doppler modalities in both the first and second trimester of pregnancy. Discover how to recognize the proper safety metrics on your ultrasound system, and how to modify the system controls if those metrics are outside of a safe operating range.

Provider approved by the California Board of Registered Nursing, Provider Number CEP 16061 for 1.25 contact hours.
