

Abortion is Not Healthcare

Brand: Heartbeat Academy
Product Code: 364

Price: \$19.95

Short Description

The abortion industry fights against any requirement or expectation that it conduct itself in ways that meet the standards by which all of legitimate medicine is measured. This seminar will examine this issue, and will present data on improvements seen in maternal-child health in other countries when abortion has been outlawed.

Description

The abortion industry fights against any requirement or expectation that it conduct itself in ways that meet the standards by which all of legitimate medicine is measured. This seminar will examine this issue, and will present data on improvements seen in maternal-child health in other countries when abortion has been outlawed.
