

What You Need to Know About Domestic Violence

Brand: Heartbeat Academy

Product Code: 160

Price: \$14.95

Short Description

Broaden your understanding of domestic violence and abuse to help you better serve your clients. In this session, we'll cover what every pregnancy help worker needs to know about domestic violence. We'll take a look at practical tools that provide helpful care to the clients you serve, and discuss methods and behaviors to avoid when working with potential victims of domestic violence.
