

It's Just Us Right? Undertanding the STI Epidemic

Brand: Heartbeat Academy
Product Code: 41

Price: \$29.95

Short Description

This course offers 1.25 contact hour credit for nurses who meet all training requirements. Provider approved by the California Board of Registered Nursing, Provider Number CEP 16061 for 1.25 contact hours.

Description

About the Presentation

The attendees will be presented with an overview of the most frequent transmitted STIs - transmission, testing and treatment. They will watch a middle school/ high school level educational presentation on STIs that can be used with students and clients and will be guided to the most trusted sites for further information. Learn to age-appropriately communicate the facts about STIs to your clients and understand the medical response for testing and treatment options in your clinics.

Objectives

1. Identify the various STIs-Understand Viral vs Bacterial vs Parasitic
2. Identify testing and treatment options available.
3. Know where to go to get the latest medical updates.

Provider approved by the California Board of Registered Nursing, Provider Number CEP

16061 for 1.25 contact hours.

Course published in 2021
