

Days that Matter: Helping Your Client Write Hope Into Her Story

Brand: Heartbeat Academy
Product Code: 376

Price: \$9.95

Short Description

1 hr recorded webinar.

Description

When your client walks through your door, she is not just facing an unplanned pregnancy or reproductive loss. She is facing a crisis in her childhood story. This session is geared toward helping the advocate understand her client's childhood story, offer a biblical grieving model to help navigate through loss that occurs when the story does not unfold as initially expected, and empower her to rewrite the story in light of eternity.

Presented by Tricia Lewis and Tanya Flores from Reproductive Loss Network
