

Virtual First: Bridging Gaps, Saving Lives

Brand:
Product Code: 856

Price: \$14.95

Short Description

Presented by Rachel Lane, Human Coalition and Stephanie Turner, Health for Her

Description

Explore the profound impact of implementing a “Virtual First” strategy in pregnancy medical clinics, demonstrating through Human Coalition’s data how coupling virtual counseling with in-clinic appointments significantly enhances patient engagement, in-clinic appointments, and fosters life decisions. This workshop aims to guide clinics on optimizing their strategies to reach more abortion-determined individuals and effectively steer them towards choosing life.
