

Expanding Volunteer and Community Engagement

Brand: Heartbeat Academy
Product Code: 910

Price: \$14.95

Short Description

Presented by Megan Matthews, Hope Resource Center

Description

Volunteers are an essential part of the framework in centers committed to fulfilling their mission to reach their communities for life. The goal of this workshop is to identify areas in your organization where volunteer service could be expanded and to better equip you to reach out to your community to meet those respective needs.
