

The Shift That Needs to Happened Within After Abortion Care

Brand: Heartbeat Academy

Product Code: 1193

Price: \$14.95

Short Description

The trends are changing for those seeking help after an abortion. The need for immediate help and triage interventions is on the rise as chemical abortions account for more than half of the abortions performed in 2023. Women are seeking help quicker and within the window of their postpartum. Care providers must be ready with a comprehensive response.

Presented by Cheryl Dudek
