

Question Abortion - Ask WHY?

Brand: Heartbeat Academy
Product Code: 1062

Price: \$14.95

Short Description

Given the increased controllers of information, we can never move forward if asking the question "Why?" is impeded or discouraged. In this workshop, participants will learn to identify how intellectual curiosity is being discouraged to the point that even questioning abortion or its alternatives is being labels as fake news and disinformation and will learn what FFL is actively doing to reach the younger generation (HS and College outreach) to question abortion to uncover the Truth.
